Dear Residents,

## Notice of upcoming work in the New Year

I'm writing to let you know about some upcoming work as part of our infrastructure work on the York Central project.

From the 8<sup>th</sup> to 15<sup>th</sup> January our company John Sisk & Son Holdings Ltd will be working in your area. To ensure safety and allow traffic flow there will be several one day parking suspension areas during this week.

### What we will be doing?

We will have excavation equipment on site to dig some trial holes in the footpath and road. This allows us to investigate the current services below the road and footpath surface. Each excavation will be started and completed within the same day, with the surfaces being put back by the end of the day.

### Parking suspension locations

- Monday 8 January: Corner of Garnet and Garfield Terraces to 68 Garfield Terrace
- Tuesday 9 January: From 10 Garnet Terrace to 46 Garnet Terrace
- Wednesday 10 January: Corner of Upper Hanover St to 58 Garnet Terrace
- Monday 15 January: From 2 Bright Street to 10 Bright Street

### What we are doing to minimise impact?

- There will be minimal vehicle reversing to reduce impact of reversing alarms.
- Vehicles will be switched off while not in use.
- Work will only be done during our approved hours of 08:00 - 18:00 Monday to Friday

We apologise for the inconvenience this may cause you and thank you in advance for your understanding.

If you have any enquiries about work in your area or questions about the wider scheme, please contact us at the email or postal address at the top of this letter. For any work that will directly impact you we will contact you by post.

Kind regards,

**Amy Hoskin**
